## Summary of SROP Softball Bat Policy (12/7/05)

This policy is applicable to all SROP softball leagues (Open, Masters, March Tournament, and OTL)

The commissioners of the SROP softball leagues met to address their respective concern with the safety of all players and have unanimously approved this new policy.

With safety in mind, the following was discussed and agreed upon:

1. Non-ASA approved bats are illegal\* for use in all SROP leagues beginning after 1/1/06. (See list of illegal bats below).

### Consequences for using banned bats:

- a. 1<sup>st</sup> offense- batter using illegal bat is called “out.” (We ask that manager who caught it sends email to commissioner of that league notifying the commissioner of the offending player).
- b. 2<sup>nd</sup> offense- player using illegal bat is out of the league and can no longer play that season (again please email the commissioner).

\*If there are questions as to which bats are legal or not, the “rule of thumb” is that the bat in question must have a ASA approval stamp on it to be permitted for league play.

\*\*The ASA stamp began in 2000. The current stamp is shows 2004.

2. SROP leagues will implement a “single-wall” only bat policy beginning with any new league starting January 2007. All double-wall\*\*\* softball bats will no longer be permitted for use in SROP softball leagues.

\*\*\*All double-wall bats will say double-wall on them. If it doesn't specify it should be a single-wall bat (all Demarini's are that way).

**We ask that all managers and players keep in mind there is nothing more important than the safety of our players and appreciate your cooperation.**
